**NOTICE OF  
NONELECTRONIC FILING**

District Judge Ted Stewart

Magistrate Judge Daphne A.  
Oberg

Plaintiffs, the State of Utah, the Utah School and Institutional Trust Land Administration, and Emery County, challenge a decision made by the United States Bureau of Land Management (“BLM”), a federal administrative agency. Because the Court will review BLM’s decision on the administrative record and under the Administrative Procedure Act’s arbitrary and capricious standard of review, the case is governed by DUCivR 7-4. Pursuant to DUCivR 7-4(c) and the Court’s May 30, 3024, Scheduling Order, ECF No. 28, Defendants have lodged a copy of the Administrative Record with the Court by mailing two identical flash drives to the Court on Monday, August 19, 2024. Defendants have served an identical file to Plaintiffs and Intervenors through the Justice Enterprise File Sharing service.

Two exhibits are attached to this Notice. First is a Certification of Production by Kyle Beagley, the authorized officer that signed the San Rafael Desert Travel Management Plan Reconsideration Decision Record on October 28, 2022. Second is a copy of the Index for the Administrative Record.

DATED this 21st day of August, 2024.

Respectfully submitted,

TODD KIM  
Assistant Attorney General
